Dear Families of Christ the King School,

Welcome to the 2009-2010 school year! We are excited about the upcoming year and all of the opportunities we will have to participate in supporting our children and our school through CPTO.

CPTO stands for Catholic Parent Teacher Organization. Our mission is to support and sponsor activities, events, and functions that benefit the students and staff of Christ the King Parish School. One of the things you will hear often this school year is how important it is for each family to support our school and become involved. Did you know that research shows that when parents are involved in their children's education, the children are more likely to do better in school and on standardized tests, and have fewer behavior problems?

These are just a few of the benefits in participating in our school's CPTO. It is also a way to get to know other families, the teachers and staff, plus it's a lot of fun! No matter what your talents or interests are, we have a place where you will fit in. Some of the ways you will be able to get involved are the school's carnival, book fair, concessions, auction, teacher appreciation, and St. Patrick's parade.

Christ the King School is more than a school, it is a community. We look forward to an exciting and productive year!

Your 2009-2010 CPTO Officers,

"Today's Catholic school is more than a means for safeguarding faith and virtue; it is a center in which parents and teachers collaborate in giving children a complete Catholic education. In this cooperation, there is a kind of reciprocal accountability, of school to parent and parent to school."
